Its hard coming from an 0 and 2 record and winning two straight but they somehow managed. Their third game at Arthur Eddy was a fairly close game which they won 16 to 6. After that win they played at home against Central and beat them by a score of 22 to 6.

The team ended their season with two losses one to Webber and the other to North. All signs point to a better 1981 season.

South's ninth grade basketball team, coached by Mr. Roger Little, ended a tough season this year with a 4-8 won-loss record. Most of the games were close and could have been won. The team improved from last year and defeated North all three times they encountered them. Leading scorers for the team were Andrew Lewis with 163 points, Ed Humpert with 110 points, and Derek Thomas with 102 points.

Junior Team Survives Season

South's eighth grade boy's basketball team showed great spirit and determination though they suffered a devastating 4-8 season.

The team's biggest problem was a lack of power on offense. They failed to put points on the board.

As this was their first year they did fairly well. With the experience they gained, we can look forward to a winning ninth grade team next year.

Steve McDaniel puts two points on the board for South with this jump shot.
